Please vote Friends of Santa Cruz State Parks as a New Leaf Community Markets Envirotokens recipient.

The program, started in 1993, gives customers who bring reusable grocery bags when shopping at New Leaf, a 10-cent Envirotoken to donate to the nonprofit of their choice. Six nonprofits are chosen to be Envirotokens recipients annually at each New Leaf location.

[Here is the Envirotoken ballot](#) for the Downtown Santa Cruz, Westside and Capitola New Leaf stores.

[This is the ballot](#) for the Half Moon Bay New Leaf. (Remember, Friends supports state parks and beaches in coastal San Mateo County too!)

Friends received financial support through the Envirotokens program for many years, but did not earn enough votes to make the cut last year. Please help us get back into this
